

SRI DATTA NIVAS, SECUNDRABAD

INAUGURATED ON 24 NOVEMBER, 2015

On 24 November, 2015, in accordance with the wishes and with the blessings of Parampujya Sainath Maharaj and Sadgurunath Dada Maharaj; one more Shaktee Kendra (centre) of Sri Saikalp Adhyatm Sanstha was established with great fanfare, at Jyoti cooperative Society, Hyderabad. The Shaktee Kendra has been named Sri Sai Mandir.

The establishment of the Shaktee Kendra was, with the purpose, of enabling Parampujya Sainath Maharaj's Janam Kaaran (Purpose of Life), from his widely believed Janma Bhoomi (Place of Birth), the erstwhile state of Hyderabad. Sainath's Janam Kaaran being Humanitarianism, World Peace, Preservation of Nature as also, to enable mankind to reap the benefits of their Karmas in this life itself.

During his Lifetime in Shirdi, Sainath spread his philosophy of "Shraddha" (faith) and "Saburi" (Patience) and Slogan "Sabka Malik Ek" (Oneness of God). Today mankind is destroying itself due to self created, dogmatic, religious differences. The nature itself has been devastated. It was with this purpose, that the Kendra at Hyderabad has been established in furtherance of Sainath's Janma Kaaran, that is, to establish peace, Universal harmony and stop the unmindful destruction of the Universe. The Shaktee Kendra at Hyderabad and Jaipur are purely for Parmarthic purposes; the Delhi Kendra meets the Parmarthic (Spiritual) and Ehik (worldly) needs.

That the blessings of Baba were there behind the establishment of the Hyderabad center is evidenced from the fact that the process of acquiring, registration and raising of the Sri Datta Nivas was completed in a record three months.
